ELECTRONIC SIGNATURES: The ESIGN Act is a federal law passed in 2000. It grants legal recognition to electronic signatures and records if all parties to a contract choose to use electronic documents and to sign them electronically.

UETA, a precursor to the ESIGN Act, was introduced in 1999 and has been adopted by 47 U.S. states, as well as the District of Columbia and the U.S. Virgin Islands. Among other things, UETA provides that when a law requires either a writing or a signature, an electronic record or an electronic signature can satisfy that requirement when the parties to the transaction have agreed to proceed electronically.

UETA and the ESIGN Act solidified the legal landscape for use of electronic records and electronic signatures in commerce by confirming that electronic records and signatures carry the same weight and have the same legal effect as traditional paper documents and wet ink signatures.* Both laws provide the following:

- No contract, signature, or record shall be denied legal effect solely because it is in electronic form
- A contract relating to a transaction cannot be denied legal effect solely because an electronic signature or record was used in its formation

*The law for electronic signatures in most countries spells out certain types of documents or document categories for which electronic signatures are not appropriate. Each customer should work with legal counsel to identify categories of exclusion in the relevant country, but common categories of exclusion are wills and trusts, powers of attorney, and declarations given under oath.

AIRLINES: eBiz Travel is not responsible for the services and policies that are imposed by the airlines. eBiz Travel is not responsible for canceled flights, penalties incurred for tickets internationally, or domestic. There will be times when the airlines will demand full and immediate issuance of tickets that will be issued on a later date. If this is the case, eBiz Travel will require immediate and full payment due. If a traveler does not remit full payment, the airline may cancel your flight and may not be able to rebook you on the same flight or the same airfare. If this should happen, it is the SOLE responsibility of the

travel to rebook your flight. eBiz Travel will do its best to use major carriers, if discount carriers are used all travelers will be notified.

Once airline tickets are paid in full eBiz Travel will be issued airline tickets for each traveler. The ticket will be non-refundable. In the event the airline requires the issuance of tickets before the final payment due date, you may be required to pay a larger non-refundable deposit and/or complete full payment.

AIRLINE FREQUENT FLYER PROGRAMS & HOTEL REWARDS

PROGRAMS: Frequent Flyer mileage accrual is at the discretion of the airline(s), and is not always granted for airfare purchased through eBiz Travel. You will need to contact the airline(s) directly for information on Frequent Flyer programs and any applicable reward mile accrual. eBiz Travel cannot assist with this process. Cancellation penalties, as noted above, will apply to all airfare, regardless of accrual grants. Take this into consideration before purchasing airfare.

HOTEL REWARDS/POINTS: cannot be earned or redeemed with hotels used by eBiz Travel.

AIRLINE TAXES AND FUEL SURCHARGES: Airline taxes and fuel surcharges are included in the price of your airline ticket. There are times, before full payment of your airline ticket, there may be an increase in government-levied taxes and fees and/or fuel surcharges. If you would like to avoid the possibility of an increase in price you may want to consider accelerating your final payment which would result in your air ticket being issued. Once your airline ticket is issued you are no longer subject to air taxes. For more detailed information always review the airline's policy on airline taxes and fuel surcharges.

REVISIONS & REVISION FEES: In addition to any airline-imposed change fees, a fee of \$50 per person domestic & \$100 international, will be charged by eBiz Travel for any alteration or revision made to a reservation after deposit is received. Any revision to a booking, including, but not limited to, flight cancellations or name changes, may result in the loss of confirmed airline reservations or increased airfare, which will be payable by you. In some instances, airline revision or change fees are up to \$300, but in some instances may be up to 100% the ticket price. Instant Purchase Air and associated service fees are non-refundable and non-changeable after 24 hours from purchase; thus, alterations or revisions to a booking with Instant Purchase Air will require new air to be purchased, and is subject to full payment, as above.

Intra-vacation/country air and hotel penalties may also apply to alterations or revisions to a booking and may be up to 100% of the full price.

A change of traveler name, vacation date, or itinerary within the final payment will be treated as a full cancellation and new reservation; vacation and airfare cancellation fees, as above, apply.

Airlines generally charge fees for name changes, including minor spelling corrections. There may be a time when the reservation will be canceled due to these changes. Any fees charged by the airlines are the responsibility of the passenger. Additionally, passengers will be subject to eBiz Travels' name change policy. If you have a name change, please contact eBiz Travel via email. info@ebiztravel.net
